

Sophia Alfred

Product Designer

Specializing in user centered digital experiences. Skilled in translating user research into intuitive, engaging interfaces. Experience collaborating with cross-disciplinary teams in fast-paced environments to deliver innovative, real-world solutions.

Design Experience

Cloudflare | Product Design Intern

June – September 2026 | London

- Designing user flows, wireframes, and interactive prototypes for internal data visualization tooling, collaborating with engineers and product managers to deliver user-centered features.

London Natural History Museum | Academic Project, City, UoL

January – April 2026 | London

- Defined how live ecological sensor data would be visualized across exhibit rooms, designing interactive prototypes to communicate complex datasets to a general museum audience.

Memento | Product Designer

May – August 2025 | Boston

- Lead end-to-end product design for an early-stage AI journaling app.

Media Map NYC | UX Designer (Freelance)

April 2025 | New York City (remote)

- Redesigned homepage for a cultural mapping website showcasing literary, film, and media tours in NYC.
- Implemented live redesign now visible at mediamap.nyc

Pelly | Project Lead & UX Designer (Client Project – Tufts University)

2024 | Wales, UK (remote)

- Developed a prototype for a checklist-like feature for Pelly's "Pelly for Federation" tool aimed at helping their clients with administrative tasks.

Additional Experience

Tufts University International Center | International Student Advisor

2023 - 2025 | Boston

- Advised 600+ international students on F-1 and J-1 visa regulations
- Planned and implemented orientation for incoming graduate students

Fulbright Spain | English Teaching Assistant & Regional Mentor

2021 - 2023 | La Rioja, Spain

- Led orientation sessions for over 200+ grantees and organized monthly cultural excursions
- Taught English lessons for students ages 6-12 in La Rioja, Spain
